

**CALL FOR APPLICATION FOR TBI-MCE INCUBATION PROGRAMME
MANAGED BY ME-RIISE FOUNDATION**

We are pleased to announce the Call for Applications for the TBI-MCE Incubation Programme managed by ME-RIISE FOUNDATION, Malnad College of Engineering, Hassan. We invite aspiring entrepreneurs, innovators, and technology-driven startups to apply for incubation support and become a part of our vibrant innovation ecosystem.

TBI-MCE is committed to nurturing innovative ideas and startups through structured incubation, mentorship, infrastructure support, industry connections, investor access, business development assistance, and technology commercialization support.

We invite applications from startups and innovators working in the following sectors but not limited to:

- Agritech
- Healthcare
- Renewable Energy
- Smart Systems

Who Can Apply?

- Students
- Faculty Members
- Researchers
- Individual Innovators
- Entrepreneurial Teams
- Early-Stage and Registered Startups

Selected startups may benefit from:

- Incubation and co-working space
- Expert mentoring and advisory support
- Prototyping and testing assistance
- Business validation and market access support
- Industry networking opportunities
- Investor readiness and funding support
- Intellectual Property (IP) guidance

Applicants are requested to submit their Pitch Deck as per the template given in the google form along with relevant supporting documents through the following Google Form:

<https://forms.gle/b6snGbCDA8nDhVSV7>

Shortlisted applicants will be invited to present their ideas before the Incubation Selection Committee.

Last date to apply: 10-06-2026
