

Department of Computer Science and Engineering

Branch Sports Report 2021-22

Sports is an important part of MCE for years. Sports activities are one of the integral parts of student activities in any academic year. Sports committee comprising of male and female faculties and student leaders under the leadership of Dr. A Geethakiran professor and head, dept of computer science and engineering successfully organized Branch sports at Malnad college of engineering, Hassan. Keeping up the tradition, the students enthusiastically participated in various games this year too.
