An industrial visit to the Tata consultancy service (TCS), white field, Bengaluru, was organized by Dept of CSBS and CSE (AI&ML).

Tata Consultancy Services (TCS) is a multinational IT services and consulting company headquartered in Mumbai, India. Founded in 1968, TCS is one of the world's largest IT solution providers with operations in over 46 countries.

Purpose of the Industry Visit

The primary purpose of our industry visit to the TCS Company was to gain exposure to the working environment , understand the operations of the company and explore the latest technological advancements in the IT industry.

To learn about the organizational structure of TCS company and get a glimpse of the working culture at TCS. To explore the opportunities for career growth and development at TCS.

VISIT: The visit to TCS started at 6:15 AM from our campus. After Travelling for a long journey of 4 hours, we reached the TCS campus at Whitefield. We were welcomed with tea and snacks. After having a good mid-morning snack we moved into the Auditorium for the event.

The event for the day was mainly of 2 sessions. The session was started with a small intro of TCS by Mr. Ramesh. Who made this visit possible and always helps us in every time.

First session - Introduction to cyber security, threats in cyber security, cyber-crimes happening now a days, the precautionary measures we can to secure our-self from cyber-attacks .

Mr. Ambu who motivated us with his great life lessons. He made us proud to be an Indian with his great words. He reminded us the great words of a great person

‘**BRUCE LEE**’ – “Be as water my friend “ with a great life lesson.

The energy in the room was palpable. The audience was completely engaged, nodding their heads in agreement, laughing at the speaker's jokes, and wiping away tears during the more emotional moments. The thunderous applause at the end of the speech was a testament to the impact it had on everyone present.

“ From textbooks to the real world of IT “

We would like to extend our heartfelt gratitude to our faculty and the college administration for organizing the industry visit to TCS. This experience was truly fantastic and exceeded all our expectations .

We would particularly thank **Dr Shrinath M S**, head of CSBS Dept and **Dr Balaji Prabhu B V**, head of CSE(AI&ML) Dept. for their dedication in planning and coordinating this visit. Their hard work and passion for student learning ensured that this experience was both informative and enjoyable.
