## **Why GATE?**

- To create awareness among potential students about the advantages of pursuing higher studies in institutes of excellence, the admission to which is only through GATE.
- To make the students aware of the advantage of qualifying through GATE for better placement opportunities in public sectors and private sectors like B.E.M.L, B.E.L, L&T, etc.
- To provide the students better understanding of fundamental concepts and techniques involved in solving problems of the subjects in Civil Engineering.

## **Expected Outcomes**

More number of students will be taking up GATE examinations which will encourage the junior students in their academic preparations.

Exposure to finer technical points during preparation to GATE examination which will lead to a more critical approach to fundamentals.
