MESSAGE

Greetings from Malnad College of Engineering (MCE), a Tier-I institution affiliated to Visvesvaraya Technological University, Belagavi. MCE has a long history spanning more than 60 years, and it is one of the premier technical institution in the country. Our robust global alumni network is the proof of our accomplishments and the high caliber of education we offer.

MCE is committed to create an atmosphere that supports our students' holistic growth. Our self-directed programs provide a modern, well-rounded curriculum that is painstakingly designed to satisfy the industry's changing requirements. The significance of the instruction and training our students get here is demonstrated by the large number of successful campus placements that have resulted from this commitment.

With the knowledge, creativity, and positive outlook that MCE offers, you can become an empowered individual. In addition to upholding the high standards we have attained, our management and employees are steadfastly dedicated to pursuing ongoing advancement in all facets of academics and personal growth

This handbook is intended to acquaint you with the policies and procedures related to academia, the campus's amenities, and other pertinent details that will act as a roadmap for you during your time in college. I hope this handbook will be a useful tool for staff and students alike, and I appreciate the efforts of all who have contributed in compiling this hand book.

I would like to greet all of our new students once again. I hope you have a successful, learning, and growing time at MCE

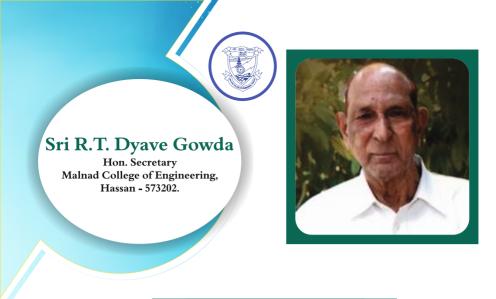

Greetings from Malnad College of Engineering, MCEians. Our goal is to provide excellent engineering education by fusing Indian traditions with technical know-how. Please make good use of this guidebook, which serves as your guide to our institution rules.

Backed by the Malnad Technical Education Society, MCE has been providing top-notch education for six decades and has a large global network of alumni. We'll provide you with the success-oriented skills and mindset you need with our industry-aligned programs and energetic campus.

Wishing you all a bright future and a fulfilling journey at MCE.

Sri C.M. Thimmappa Gowda @ Puttaraju

I am pleased to extend a warm welcome to all of the new students accepted for the 2024–2025 academic year. As one of the most prominent and established colleges in Karnataka, we are proud to have graduated hundreds of students who are now employed effectively all over the world. We are really happy to have another group of freshmen students join our campus.

This handbook provides an extensive overview of the rules & regulations, curriculum, and resources offered by our institution. To improve their knowledge and abilities, I urge every student to make the most of these resources.

I hope that every one of our students and faculty succeeds in their extracurricular and academic pursuits. Cheers to an abundant and fulfilling year to come!

Sri R.T. Dyave Gowda

It gives me great pleasure to see MCE, a prestigious technical school that has been providing services to the Malnad region since 1960, flourish. I see enormous chances for all the students admitted here to empower themselves with technical skills and define their professional careers. This college has constantly delivered high-quality education.

All students are welcome to utilize the resources on campus to their fullest potential and are urged to aim for success in all activity. I wish each and every one of you great prosperity and success.

Wishing every student, a grand success in their academic journey.

Sri S.G. Sridhar

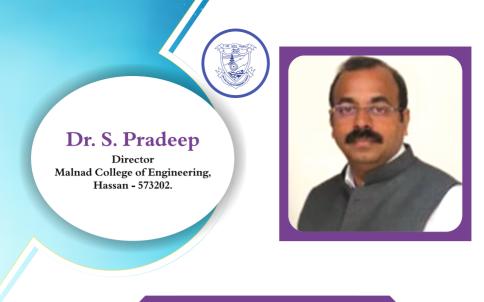

Warm greetings from Malnad College of Engineering. At MCE, we are dedicated to harnessing the immense potential of today's youth and guiding it in the right direction.

Our transformative education combines a dynamic curriculum with cutting-edge digital tools, sparking curiosity and enhancing critical thinking. Hands-on learning and personalized evaluations ensure that each student's journey is tailored to their strengths and growth areas.We foster a healthy, green campus environment and a vibrant extracurricular life, promoting sustainability and holistic development. Our graduates leave equipped to excel in a rapidly evolving global landscape.

Thanks to our dedicated management, faculty, students, and stakeholders, we continuously achieve excellence and strive for even greater success.

Dr. A.J. Krishnaiah

As the Director of Malnad College of Engineering, I warmly welcome all students, parents and visitors to our website.

Our mission is to provide a well-rounded education that combines technical expertise with essential soft skills. We offer a curriculum that integrates theory with practical application, supported by advanced labs, industry partnerships and real-world projects.

We prioritize student development, with dedicated faculty guiding each individual. Our vibrant campus life and extracurricular activities foster leadership, teamwork and social responsibility.

Research and innovation are at the heart of our institution, providing students with opportunities to work on cutting-edge projects. I invite you to explore our college and learn more about our commitment to excellence in engineering education.

Dr. S. Pradeep

PROFILE OF THE INSTITUTION

1. Malnad Technical Education Society ®

Malnad Technical Education Society was Established in the year 1960 to provide technical education to MALNAD (Land of Hills) regions – Hassan, Chikmagalur, Shimoga and Coorg Districts. It Started with the contributions by farmers and philanthropists of Malnad area. MTES is currently catering to education in the fields of women, children, law and management.

2. Malnad College Of Engineering

Nestled in the serene district of Hassan, where the ancient temples of **Belur, Halebidu,** and **Shravanabelagola** stand as testaments to Karnataka's rich heritage lies the **Malnad College of Engineering (MCE)**. Located midway between Bengaluru and Mangaluru on NH-75. Hassan enjoys an annual rainfall of about 900 mm, contributing to its lush green surroundings. This temperate climate provides a perfect backdrop for students to immerse themselves in their studies and extracurricular activities. Hassan city is well known as poor man's ooty. Established in 1960, MCE is more than just an educational institution; it is a symbol of visionary leadership and community spirit.

It was the concerned citizens of Hassan, Coorg and Chikkamagalur districts who realised the need for a cluster of Educational Institutions in the 'Malenadu' region. Thus formed was a committee under the Chairmanship of the then Divisional Commissioner Shri ShafiDarashaw and Shri Chandappa Patel, the then Deputy Commissioner as Convener and then Hassan district social reformers. MCE was formally opened on the 1st of September 1960 by the then Chief Minister Shri B D Jatti, under the chairmanship of Shri AnnaraoGanamukhi , the then Deputy Commissioner, Hassan. In their vision was the Malnad College of Engineering (MCE), which was to be constructed in 41.28

13

acres of land on the then northern outskirts of Hassan city as a joint venture of The Government of India, the then Government of Mysore under Malnad Technical Education Society (MTES®) Hassan. Initially affiliated to *University of Mysore*, then to *Visvesvaraya Technological University, Belagavi* in 1998 and in the year 2007, MCE has now earned *Academic Autonomy*.

The college offers nine B.E, fourM.Tech., M.Sc., (Engg.) by Research and Ph.D., programs, with about 4000 students on rolls.MCE houses the **AICTE-IDEA** Lab, awarded as the best Mentor Institute and best Host Institute. The **DST-FIST Lab, Bosch Rexroth** Lab partially funded by Bosch, India, facilities and fundingfrom **DST, VGST,** and **KSCST** for research projects further bolster its research capabilities.

The institute offers Junior Research Assistant positions and has initiated a **Centre for Research & Consultancy** to enhance research activities and consultancy services. The institution had been supported by Technical Education Quality Improvement Programme (TEQIP Phase I, II and III). MCE was listed among the top 200 engineering education institutes across India to produce higher quality and more employable engineers. **The Training and Placement centre** in the college trains and assists the students in securing employment in reputed companies

International Collaborations : MCE has collaborations and MoUs with several foreign universities and industries, including *Western Sydney University*, Australia, *Federation University* Australia, and various industries. These partnerships enhance the institution's global connections, provide students with international exposure, and foster collaborative research and development opportunities.

Extracurricular Activities : MCE offers a wide range of extracurricular activities that contribute to the holistic development of students. These activities include sports, cultural events, and technical clubs, providing students with opportunities to explore their interests and talents beyond academics. MCE was the first college to start **Physical Education** (PE) as a credit course, emphasizing the importance of physical fitness and sports. The 'Divya Chaitanya' initiative focuses on improving mental health through yoga and meditation, helping students achieve mental clarity and overall well-being. This initiative has resulted in students excelling in various domains, including winning medals at zonal, state, and national levels.

3. Outcome Based Education (OBE)

Outcome-Based Education (OBE) is a pedagogical model that entails the restructuring of curriculum, pedagogy and assessment practices to reflect the achievement of high-order learning, as opposed to a mere accumulation of course credits. While the traditional education system focuses on what is taught, OBE places emphasis on what is learned, and this distinction is very important. The latter is a student-centric model that incorporates real-world scenarios into the mix.

OBE is an education system built on specific outcomes. It focuses on the skill sets students must acquire following the completion of their programme. Activities in or outside the classroom are designed in a manner so as to help students to achieve these outcomes. One of the most profound benefits of OBE is the sense of clarity it fosters. Students, along with their parents, can pick an institution, program and course based on clearly spelled out learning objectives. The Course Outcome (CO), Program Outcome (PO), Program Specific Outcome (PSO) and Program Educational Objective (PEO) determine exactly what students are expected to accomplish, post their course or program respectively.

ACADEMIC PROGRAMME

30. Title and Duration of The Program

The Program : shall be called a Degree Course in Bachelor of Engineering (B.E.).

The normal duration of the program : shall be four academic years. However, the maximum duration for the B.E. program shall be eight years from the date of first registration, which includes the period of withdrawal, absence and different kinds of leave permissible to a student.

Academic Year : An academic year consists of two semesters and the overall schedule, in general, shall be as follows:

NUMBER OF	Two Main semesters (Odd & Even)
SEMESTERS / YEAR	Supplementary semester (After IV and VIII Sem)
SEMESTER DURATIONS (WEEKS)	Main semesters (Odd & Even):19 Weeks each (16 Weeks of Academics & 03 Weeks of Exams)
	There will be no supplementary semester. However, students with F grade will have supplementary exam at the end of every even semester.

Academic calendar - Academic Calendar is prepared by the Dean-AA well before the commencement of each semester and published in the college website and Notice Boards. This clearly indicates the dates of registration, Continuous Internal Evaluation (CIE), SEE, semester vacation, etc.

S1 No	Scheduled Week	Event Particulars
1.	1st Week	Registration of courses
2.	4th Week of Odd semester	Last date to pay Tuition & Examination Fees
3.	6th Week	CIE – 1
4.	10th Week	CIE – 2
5.	16th Week	CIE – 3

6.	16th Week	• Withdrawal of Course/s by eligible students

7.	17th Week	Examination Preparation Holidays
8.	18th & 19th Week	SEE Examinations
9.	20th Week	Practical Examinations
10.	21st Week	Results
11.	22nd Week	Makeup SEE Examination for students with CIE >=45

31. Curriculum

The curriculum is designed as per the Outcome Based Education (OBE) and shall include

Engineering Science courses,

- + Basic Science,
- + Humanity, Social Sciences, Management
- + Core Professional Engineering,
- Professional Electives,
- Emerging technology courses
- Programming Language courses
- ✤ Open Electives
- Internships
- Minor/Major Project works

Individual Board of Studies (BoS) for each department takes care of preparing Scheme and Syllabus. The same is approved by the Academic Council (AC) of the Institution. There shall be an equal emphasis on theory, practical / laboratory and workshops. Emphasis is also given for Selfstudy & Experiential Learning.

32. Credits System

In the credits system, the course work is unitized and each unit is assigned one credit after a student completes the teaching-learning process as prescribed for the unit and is successful in its assessment.

The course curriculum shall contain Lecture (L), Tutorial (T), Practical/ Laboratory(P) and Credits awarded (C) for the course which are mentioned as (L-T-P) C. Every course in the programme is assigned a certain number of credits according to the following pattern:

1- hour Lecture (L) per week per semester = 1 credit

2- hours Tutorial (T) per week per semester = 1 credit

2-hours Practical/Laboratory/Drawing(P) per week per semester = 1 credit

The (L-T-P)C of a course with 3 hours of theory & 2 hours of tutorials is (3-1-0)4.

The (L-T-P)C of a course with 2 hours of theory & 2 hours of practical is (2-0-1)3.

Credits Requirement for B.E. Program

The total number of credits required to be earned by students to qualify for the degree program is given below:

Program	Normal Duration in Years	Total No. of credits to be Earned (Average/ Semester = 22)
B.E. Degree	4 Years	160 Credits
B.E. Degree (Lateral Entry, Students with Diploma)	3 Years	120 Credits*

*40 Credits for the First Year B.E Programs common to all B.E. Programs.

33. Registration

Registration :

A student shall register in person at the beginning of each semester on the prescribed dates as per the norms. The student shall consult the concerned Faculty Advisor/Mentor in choosing the courses to be registered.

Late Registration :

Late registration after the announced registration dates may be permitted only for valid reasons and on payment of a late registration fee. In any case, registration must be completed before the prescribed last date for late registration. These dates shall be mentioned in the academic calendar.

Registration in Absentia :

Registration in absentia may be allowed only in rare cases at the discretion of the Dean -AA, in case of illness or other contingencies.

Eligibility for Registration :

To be eligible to register for a higher semester, the student must have earned the required number of credits and CGPA as stipulated for vertical movement, as per rule given next.

Minimum and Maximum Number of Credits :

A student shall register for a minimum of 16 credits and a maximum of 28 credits in each semester. However, the average number of credits to be registered is recommended to be 22.

34. Attendance Requirements

A minimum of 85 percent attendance is compulsory in each course. However, in extra-ordinary circumstances such as illness, participation in University level co-curricular/ extra-curricular activities and participation in other academic activities such as seminars/ workshops/ presentation of papers in conferences, etc. with prior permission, a maximum of 10% attendance may be condoned by the Principal on the specific recommendation by GRC.

A student shall keep track of the attendance status regularly. If a student does not fulfill the minimum requirement of attendance in a course, the student shall be awarded an F Grade in that course and shall repeat the course in its entirety in the subsequent semester whenever the course is offered.

35. Dropping and Withdrawal from Courses

Dropping of courses : The students are permitted to drop the courses based on their performance in CIE1 in consultation with their faculty mentor on or before the date announced by the college. But they must satisfy minimum number of credits criteria (16 credits). Further, such students are permitted to register for the course, whenever it is offered (if it is a core course) or student can register for same elective/ different elective offered during the subsequent academic semester/ year. The dropped course will not be mentioned in the grade card. However, the student has to obtain attendance afresh in change of courses.

Withdrawal from Courses : There is no provision for dropping of any of the registered courses under any circumstances. However, a student with poor CIE performance not becoming eligible (NE) in some course(s) can withdraw from such course(s) retaining the minimum credits specified as per rule , before the prescribed date (but not later than two weeks before the commencement of SEE).

- + A student can withdraw a course only if there is no shortage of attendance (<75%) in that course.
- + Accordingly, a student having poor performance in CIE can withdraw from such a course(s). Such a student shall submit a written application to the principal duly signed by the student with complete academic details and recommended by the concerned faculty advisor and the Head of the Department before the stipulated date.
- + The withdrawal of a course is allowed only once at any level, only if the total credits registered are more than 16 in a given semester even after availing such a facility.
- + A student having poor performance in CIE in any of the courses of the program can withdraw from such courses, not restricted by the minimum number of credits specified as per rule, before the prescribed date.
- In case of withdrawal(s) as above, the student shall be awarded W Grade for such course(s). Such a withdrawal will not affect the SGPA/ CGPA. The student shall re-register for such course(s) either in the in a subsequent semester whenever the course(s) is offered, as per the criteria next.
- + If a student withdraws from a registered course with satisfactory attendance, the student shall earn CIE marks afresh, whenever the course is offered and then appear for the relevant SEE. Under any circumstances, the backlog courses are not permitted to be withdrawn.

STUDENT ASSESSMENT

The student assessment shall consist of two components in all the theory/ practical courses: **Continuous Internal Evaluation** (CIE) and **Semester End Examination** (SEE).

All theory and practical courses shall carry 100 marks (CIE+SEE) each (with the audit courses having only the CIE).

36. Continuous Internal Evaluation (CIE)

a) **CIE for theory courses:** The cumulative evaluation of performance shall be for a total of 50 marks. A maximum of 30 marks for tests and 20 marks for activities/Lab shall be allotted (from 2021-22 admitted batch). However, in case of courses which need special provisions, the evaluation scheme approved by the concerned BoS shall be adopted. The scheme of evaluation and the rubrics shall be submitted by the faculty offering the course to the HoD, before commencement of the course. The lesson plan and the scheme of evaluation shall be shared with the students.

In case of Theory/Integrated courses, continuous evaluation has been given more importance in NEP 2020, the minimum marks to be secured in CIE to appear SEE shall be respectively 12 and 8 in tests and activities respectively.

Three tests shall be conducted each for maximum of 20 marks. The total marks secured by students shall be reduced proportionately to 30 marks. A minimum of two activities shall be conducted in each course for 20 marks.

The evaluation of CIE for laboratory courses and project work will be according to the rubrics set by the department

Mid-term evaluation: during the 8th week for 15 marks, to be done by a jury consisting of Project Coordinator, Project Guide, HoD or his nominee. The official record of marks is to be maintained.

Semester end internal evaluation: to be completed by at least one week before the end of term days for 25 marks. The jury constituted for this purpose has to consist of Project Guide, Project Co-Ordinator, HoD or his nominee and staff members of related specialization. 10 marks in this evaluation shall rest with the Project guide and remaining 15 marks is to be averaged out upon evaluation by the individual members of jury, made upon presentation of the project along with due demonstrations. Project work demonstration during SEE for 50 marks is to be made compulsorily in case of all the projects as applicable.

- b) **Internship:** To be completed & evaluated according to guidelines set by department BoS.
- c) **Swayam Courses**: Two Courses (Basket of courses will be announced by the department)

One OEC course (Audit) of 4/8/12 week can be taken during $1^{\rm st}$ and $2^{\rm nd}$ year of study and it will be entered in sixth semester grade card

One PEC course minimum 12-week course (3 credits) can be taken during 2^{nd} , 3^{rd} and 4^{th} year of study will be entered in eighth semester grade card

37. Semester End Examination (SEE)

SEE shall consist of a written or practical examination conducted at the end of the semester and shall be based on the entire course contents. The mode of SEE and marks assigned shall be made known to the students by the course instructor at the beginning of the semester.

Eligibility to attend SEE:

The eligibility criteria to attend the SEE in a course are :

- + Attendance shall be greater than or equal to 85%. However, the students with attendance between 75% and 85% are eligible to attend SEE after paying panel fee as decided by the institution.
- + CIE marks shall not be less than 40% (minimum of 12 marks from test and 08 marks from activities).

A student not fulfilling one or both of the above criteria in a course shall be assigned "NE" grade and will have to re-register for that course subsequent semesters whenever the course is offered. In case of an elective course, the student may re-register either for the same elective course or choose another elective from the same pool of electives. If student chooses a different course then he has to get his attendance and CIE afresh.

38. Passing standards

Passing criteria for all types of courses:

- The minimum passing mark for the CIE is 40% of the maximum marks (20 marks out of 50). Further, 12 marks for CIE tests and 08 marks for Activities/Laboratory component.
- + The minimum passing marks for SEE is 35% for both theory and laboratory.
- A student shall be deemed to have passed the theory/ laboratory/ integrated course, if the student gets minimum of 40% in the sum total of the CIE and SEE taken together.

39. Grading system

The performance evaluation is carried out separately (i) for each course in terms of letter grades, (ii) for all courses in a semester in terms of SGPA and (iii) for all semesters at a given point of time during the program, in terms of CGPA.

Absolute Grading system on 10-point scale is followed in the evaluation of student's performance in a course.

LETTER GRADES : Letter grade is basically a qualitative measure (an alphabet/letter) giving the performance of a student, such as, Outstanding (O), Excellent (A+), Very Good (A), Good (B+), Above Average (B), Average (C), Pass (P) and Fail (F), based on the score.This is arrived at after the student's performance in a course, which includes both CIE and SEE.

GRADE POINTS : Depending on the letter grades assigned, a student earns certain grade points. In the 10-point grading system, that is followed, the grade points earned for different letter grades are mentioned below.

Grade	Grade Points	Marks	Performance	
0	10.0	90 - 100	Outstanding	
A +	9.0	80 - 89	Excellent	
A	8.0	70 – 79	Very Good	
B+	7.0	60 - 69	Good	
В	6.0	55 – 59	Above Average	
С	5.0	50-54	Average	
Р	4.0	40-49	Pass	
F	0	00 – 39	Fail	
I	-	-	Incomplete	
w	-	-	Withdrawal	
x	-	-	Transitional	
PP	-	-	Satisfactory (for Audited Courses)	
NP	-	-	Not satisfactory (for Audited Courses)	
DX	_	-	Shortage of attendance	
NE	-	-	CIE not eligible	

Grade F: Awarded to a student in a given course who:

- i) fails to get the minimum of 40% marks in CIE (Both in Theory and activity/Lab)
- ii) fails to get 35% marks in SEE
- iii) fails to get overall (CIE+SEE) 40%
- iv) fails or does not register for the expected courses in the immediate make-up SEE
- v) does not attend SEE without justifiable reasons or make-up SEE. All the I and X grades are deemed to be F grade, if a student fails in such course(s) in the immediate make up SEE or does not attend the makeup SEE at all.
- **Grade I** : Awarded to a student having satisfactory attendance and meeting passing requirements in CIE, but remains absent from SEE for reasons acceptable to the GRC, like illness or accident which disable the student from attending the SEE, a calamity in the family at the time of SEE which requires the student to be away from the college.

- **Grade W:** Awarded to a student who withdraws from a course before the prescribed date. Such students should have satisfied minimum attendance criterion. The total number of courses that can be withdrawn is subjected to minimum credits per semester criterion.
- Grade X: Awarded to a student having high CIE rating (≥ 90%, i.e. total CIE marks is ≥ 45) in a course, but SEE performance is observed to be poor, which could result in an overall 'F' grade in the course. This is not applicable for backlog courses.
- **Grade PP:** Awarded to a student who satisfies the attendance and other class room requirements of mandatory audit courses.
- **Grade NP:** This is awarded to a student who does not satisfy attendance and other class room requirements of mandatory audit courses. In such cases, the student should earn Y grade by re-registering for the course.
- Grade DX: This is awarded to a student who does not satisfy attendance
- **Grade NE:** This is awarded to a student who does not satisfy CIE eligibility of a course

Note : *I*, *W* and *X* are transitional grades awarded. They shall be converted into one of the letter grades O to F student completes the course requirements.

The SGPA and CGPA are calculated as per the following formula (VTU guidelines)

$$SGPA = \frac{\sum [(Course Credits) X (Grade points)] \text{ for all courses}}{\sum [(Course Credits)] \text{ for all courses in that semester excluding transitional and F grades}}$$

$$CGPA = \frac{\sum [(Course Credits) X (Grade points)] \text{ for all courses excluding}}{\sum [(Course Credits) X (Grade points)] \text{ for all courses excluding}}}$$

$$CGPA = \frac{\sum [(Course Credits) X (Grade points)] \text{ for all courses excluding}}{\sum [(Course Credits)] \text{ for all courses excluding}}}$$

VALUE ADDED COURSES & SERVICES

61. B.E. (Minors)

An academic Minor degree is a secondary declared academic discipline or field of study for the undergraduate degree. A minor degree refers to a supplemental second discipline of study and concentration that often complements the major. CGPA 5.0 has to be maintained in subsequent semester without any backlog to continue minor degree. To get the Minor degree student needs to earn additional 18 courses by taking online courses as published by the college. The minor degree provides the chance to students to pursue additional courses of personal interest/passion. By completing minor degrees, students gain specific specialization and make themselves more competitive employers.

62. B.E. (Honors)

Honours degree is an undergraduate degree that is intended to be of higher standard than a regular Bachelor's degree. This shows a high level of academic achievement. It is offered by a department to its own students with CGPA not less than 8.0 and no "F" grade from third semester onwards. The student shall earn additional 18 credits (in addition to 160 credits for the Degree Programme enrolled) through online courses approved by the Institute in a particular specialization of the same Degree Programme.

66. Internship and Skill Development

The **MCE-BOSCH Rexroth Regional Centre of Competency in Automation Technologies (MBRRCCAT)** is conducting internship and training for students of Mechanical Engineering Science students in the domain of Industrial Automation. Internship offer students the chance to put what they are learning into action, in a real-world environment. This helps them to understand better the theories and strategies they have been reading about, cementing the learning process and giving greater focus. After internship students will have a much clearer idea of their own strengths, weakness, likes and dislikes. Most importantly, knowing that they have hands on experience will give them far more confidence when it comes to job seeking and interviews.

Students who put themselves forward for an internship show that they are willing to take responsibility, work hard, want to learn, and are interested in getting experience. These are all the qualities that hiring companies are interested in and this helps them differentiate in a competitive job market.

Using the state of art facilities available internship, the Centre has trained more than 600 students and 20 teaching staff members in the following Industrial Automation Domain.
