MALNAD COLLEGE OF ENGINEERING, HASSAN

(An Autonomous Institution Affiliated to VTU, Belgaum)

VISION OF THE INSTITUTION

To be an institute of excellence in engineering education and research, producing socially responsible professionals

MISSION OF THE INSTITUTION

Create conducive environment for learning and research Establish industry and academia collaborations. Ensure professional and ethical values in all institutional endeavors.

VISION OF THE DEPARTMENT

The Department of Civil Engineering will be a centre of excellence in industry-oriented teaching, training, research, professional ethics, social responsibility, and continuing education for practicing engineers through sponsored research and consultancy services

MISSION OF THE DEPARTMENT

To improvise the curriculum to include contents pertaining to situational experience of variety of sites and develop a sense of social responsibility and to enhance research orientation of students through internship programs.

To enhance sponsored research and consultancy works to achieve effective industry-institute-interaction and conduct Continuing Education Programme for practicing engineers.

To inculcate professional ethics through quality and modern construction practices.

To switch over to modern methods of material testing, Engineering analysis and design.

Department of Civil Engg, MCE Hassan

Inauguration of "Center of Excellence for Sustainable Construction Practices and Materials" 29th August 2025

"Center of Excellence for Sustainable Construction Practices and Materials" was inaugurated at Malnad College of Engineering on August 29, 2025. MoU was signed between Malnad College of Engineering, Hassan and UltraTech Cement Limited on this occasion. Jayashankar Kenntikar, Vice President (Technical), UltraTech Cement, Pan India was the chief guest. In his address, he explained the primary objectives and benefits of the Center, highlighting the modern technologies in cement manufacturing aimed at reducing carbon dioxide emissions.

Kenntikar further announced that UltraTech Cement, in association with the Civil Engineering Department of MCE, has entered into a five-year agreement to support students through training programs, internships, research opportunities, seminars, and job placements. He said the collaboration with UltraTech Cement will provide students with valuable knowledge and enhance their learning experiences.

The program was graced by C.R. Jagadeesh, Secretary, MTES; H.D. Parswanath, Treasurer, MTES; Punnose P. John, Divisional Vice President & Zonal Head, UltraTech Cement, Bengaluru; Srivastava Subrahmani, Regional Technical Head; Dr. A. J. Krishnaiah, Principal of MCE;

The event was coordinated by faculty members C. Madhushree and Hemanth R. The welcome address was delivered by Dr. H. S. Narashimhan, while the program was compered by Neha Prakash.

Inauguration of 'Competency Club' September 15, 2025

'Competency Club' dedicated to motivate and guide students to take GATE and competitive exams conducted by the UPSC and KPSC was inaugurated by Akarsh T M, IFS, Assistant Conservator of Forests, Mudigere Sub Division, Chikkamagaluru on September 15, 2025.

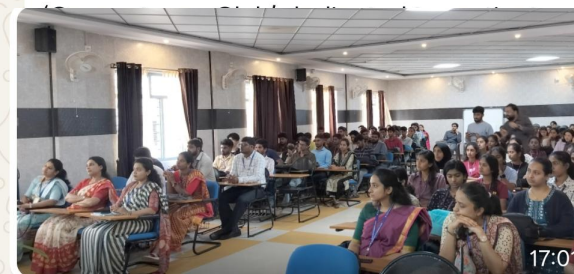

Dr. Amarendra H J, Principal; Dr.A.J.Krishnaih, Former Principal; Dr.Indira Bahaddur, Dean (Student Affairs); Dr. H S Narashimhan, Head of Civil Engineering Department; Tapaswi H V and Hemanth R, Co-Ordinators; students and faculty members of the Civil Engineering Department were present on this occasion.

"GATE JAM 2026"- An Awareness program 19th September 2025

about the GATE and JAM examinations was organized by the Competency Club and Training & Placement Cell in association with the IISc GATE office on 19th September 2025.

Balaram Shaw and Chethan V A from IISc explained about the examination patterns, eligibility criteria and preparation strategies.

Dr. A.J. Krishnaiah, Former Principal; Dr. T.P. Jeevan, Training & Placement officer; Hemanth R, Coordinator, Competency Club and students were present.

Department of Civil Engg, MCE Hassan Hands on Training on XRD and DSC 19th Sept 2025

A hands-on training session on X Ray Diffraction (XRD) and Differential Scanning Calorimetry (DSC) was held at the Centre for Incubation, Innovation, Research & Consultancy (CIIRC), Jyothy Institute of Technology (JIT) on 19th September 2025.

The session was attended by our faculty members Ms. Dakshayini R. S., Ms. Amrutha D. S., and Ms. Brunda B. N., who gained practical insights into advanced material characterization techniques

Department of Civil Engg, MCE Hassan (MoU) with Adani Cement 5th Nov 2025

On 5 November 2025, MCE signed a Memorandum of Understanding (MoU) with Adani Cement to strengthen industry academia collaboration.

Through this partnership, students will gain opportunities such as field visits, access to smart labs, knowledge sessions, and participation in youth engagement campaigns, helping enhance their practical exposure and skill development.

Department of Civil Engg, MCE Hassan Pre-Placement Training Program 29-30th Sept 2025

The Training and Placement Cell and Department of Civil Engineering organized a Pre-Placement Training Program for Final Year Civil Engineering Students on the 29th and 30th of September 2025 in association with Haranahalli Ramaswamy Institute of Higher Education, Hassan. The Program was designed to enhance students' employability skills through Interactive sessions on career readiness, Mock Group Discussions and Mock HR Interviews.

Participation in IIC Regional Meet 2025 2nd Dec 2025

The IIC Regional Meet 2025 was organized by the MoE's Innovation Cell and Institutions' Innovation Council (AICTE) with the objective of fostering innovation, entrepreneurship, and collaborative learning among higher education institutions. The one-day regional meet, hosted by M. S. Ramaiah University of Applied Sciences, Bangalore on 2nd December 2025. Prof. Amrutha D S and Prof. Supriya M J participated in the event. One Day Workshop Centre of Excellence 28th Oct 2025

One day workshop on "Waterproofing and Tile Adhesive" was organised for the top CLP contractors at the Centre of Excellence for Sustainable Construction Practices and Materials, Department of Civil Engineering, Malnad College of Engineering in association with Ultratech Cements Limited on October 28, 2025.

Er. Vinay, BPD- UltraTech Cements Limited and Dr. Manu K. C, Associate Professor, Department of Civil Engineering, served as experts.

Experts also explained tile adhesive ranges, the need for adhesives, methods of application, and product selection based on tile size, type, and location. Tile grouting options like Epoxy 2K and 3K were discussed along with product ranges including Sumo CT, Aquamarine VT, Royal NT, and Ultima.

Additionally, the Samridhi Scheme 2.0 for contractors was introduced, and best practices in construction were emphasized.

We're excited to invite you to

3 days training program in Revit 3D 4-6 Nov 2025

Malnad College of Engineering (MCE), Hassan, successfully organized a 3-day training program on "REVIT 3D" from November 4th to 6th, 2025. This intensive program, held at the UG CAD Lab, was a **Centre of Excellence for Sustainable Construction Practices and Materials initiative**, aimed at equipping participants with cutting-edge skills in 3D design and building information modeling. The program featured Mr. Uday Shankar, Managing Director of BSR Construction, Chennai, as the esteemed Resource Person.

The "REVIT 3D" training program concluded with a formal valedictory ceremony. Participants were recognized for their dedication and successful completion of the course, with certificates/mementos exchanged to mark the occasion. Faculty and organizers expressed their appreciation for the enthusiastic involvement of the attendees

Industrial Visit to UltraTech RMC Plant –
Baikampady, Mangalore | 09.12.2025

Under the banner of the Centre of Excellence, a team of 40+ Civil Engineering students from Malnad College of Engineering, Hassan, took part in a highly enriching industrial visit to the UltraTech Ready-Mix Concrete (RMC) Plant, Baikampady – Mangalore.

The visit was guided and supported by the plant's leadership team:

- ◆ Regional Head – Mr. Ganesh Gulvadi
- ◆ Plant Head – Mr. Arvind
- ◆ Plant Technical – Mr. Tushar

The session began with a comprehensive quality briefing, where Mr. Tushar explained the detailed process of material testing, mix design, and the strict quality control measures followed at the plant. Students gained valuable insight into laboratory practices and real-time testing procedures.

Later, Mr. Arvind led the plant tour, giving students an end-to-end view of RMC production—from raw material storage, automated batching, mixing operations, to dispatch and safety systems.
