

MALNAD COLLEGE OF ENGINEERING: HASSAN
Notification for Registration for Supplementary Sem./Examination, July – 2025

For the courses of 2nd and 3rd Year B. E.

***Caution:** Students must carefully read the following VTU guidelines and then decide suitably to submit the applications for registration.*

1. 2021 admitted batch (current year VIIIth Sem. B.E. completed ones):

- Maximum 32 credits including the courses of 4th Year B.E can be registered. Hence, these students may register for the credits equal to 32 **minus** total credits of 2nd and 3rd year courses. (e.g., if a candidate has written 10 credits during supplementary SEE of 4th year BE, he/she can register 32-10 = 22 credits for the supplementary SEE of lower Years of B. E.)
- There will be no carry forward of attendance and CIE marks (attendance and CIE marks must be earned afresh). (**VTU Guidelines, 2018; Amendments in 2022**)

2. 2022 admitted batch (current year VIth Sem. B.E. completed ones):

- Supplementary Semester is for students of NE (Not Eligible) grades only (shortage of attendance and/or CIE marks).
- F grade courses of Vth and VIth Sem. B.E. only may also be registered but attendance and CIE marks must be earned afresh (*Carry forward of attendance and CIE marks is valid for backlog registration in the subsequent regular semesters when the courses are offered*). (**VTU Notification - 1991**)
- They may register maximum 16 credits.

3. 2023 admitted batch (current year IVth Sem. B.E. completed ones):

- **NO SUPPLEMENTARY SEMESTER FOR THESE STUDENTS.** Supplementary Examination will be given to the students of F grades of IIIrd and IVth Sem. courses. (**VTU Notifications 1990 and 2209**)
- Students with NE grades have to re-register to those courses in the subsequent semesters when courses are offered. (**VTU Circular 1305**)
- Students admitted in 2022 and did not have the eligibility to III semester (Detained Students) will have Supplementary Semester for NE grade courses.
