 - Introduction of Certificate and Value added courses
 - Extension activities of NSS, NCC etc.
- Briefed the initiative in analysis of
- CIE and SEE Results
 - Student's demographic diversity
 - MIS development supported by "Make-In-MCE", Initiated by Alumni

Following are the suggestions and proposals made by the external members at the meeting.

- With regard to Patents, it is proposed to have IPR cell.
- CSR funding projects is to be proposed more.
- It is proposed to provide seed money by the Institute for Research work.
- Syllabus :
 - It was informed that the syllabus / curriculum is to be revised and updated every year. At least 30% of the syllabus be moderated.
 - It is proposed to invite Industry member for academic audit.
 - Introduction of Artificial Intelligence and Robotics and IoT in the Mechanical Engineering curriculum.
 - Improvements with regard to Sports achievement should also be made.
 - Certification and Value added courses be introduced.
- It is proposed to earmark of Rupees One Crore for conducting all the activities / programmes across all the departments for the academic year 2023-23.
- NCC:

On Discussion, it was resolved to have a trained faculty for NCC and students shall get benefitted under NCC in coming years.
- Parent Member expressed opinion that the college to propose the students for Internship. On discussion, It is found that the number of students for Internship opted by companies would be less. Hence, it was resolved that steps shall be taken for providing Internship to the maximum extent through placement cell by requesting the HRs for providing Internships to students.
- Student Member expressed the opinion that, the students undergo Internship more intensely than the Projects. Hence, it was resolve that, concerned HoDs to ensure that the Project Guide is to be more active and to come out with innovative projects.

Meeting was concluded with Vote of Thanks.

(Dr. Y.M. Shashidhar)
