CRITERION III – RESEARCH, INNOVATIONS AND EXTENSION

Metric	Particulars
3.6.4	The average percentage of students participating in extension activities listed at 3.6.3 above during the last five years

DVV Clarification	HEI Response
1. HEI is requested to kindly note that the number of students participated in the extension activities is only to be considered in this metric. Please relook and provide the correct revised data.	The number of students participated in the extension activities is only considered in this metric
2. Kindly note that there is a data mismatch in the HEI input and the data template for all academic years. Please relook and provide the correct revised data.	Mismatched data is corrected and revised data is attached. View Document
3. Kindly note that the academic year to be considered in this metric, as the programs held in June 2022, should not be considered. Please relook and provide the correct revised data.	Only the academic year is considered, and number of events conducted within the academic year is only selected.
4. Please provide an attendance sheet with the signatures of the student's program-wise, and year-wise for the last five years.	Events like processions and field activities, collecting the signature is not possible. Therefore, only names list is attached for each program
5. Please provide certificates of the students for the last five years.	Copies of the Certificates are provided
