Village survey at Anuguvalli Village – 10-12-2018

With a keen interest, Dr. A. Geetha Kiran, Co-ordinator of ME-RIISE, Professor & HOD CSE, had applied to MHRD with a proposal indicating the objectives and work plan for rural development through challenge mode application. MHRD approved the proposal and further directed the institution to develop linkage with the selected rural clusters and get involved to promote S&T interventions and improvise the development efforts in those cluster.

After the due approval for UBA on 29/10/2018, Malnad College of Engineering adopted the five village clusters viz. Heragu, Gopanahalli, Dudda, Lingaransahalli and Anuguvalli and has carried out multi-variant work to uplift rural development through academic and societal activities.

The first part of the activity was the “**Village survey**” which was conducted on 10-12-2018. The purpose of the visit was to visit the Anuguvalli gram panchayats of the adopted villages and get to know about the government schemes handled, status of the government school and basic information of the village.
