## Hiring Notice

**Greetings from Technology Business Incubator – MCE (TBI-MCE),**  
*Managed by ME-RIISE Foundation, Malnad College of Engineering, Hassan.*

We invite applications from experienced and dynamic professionals for the following leadership positions:

### Open Positions

**1. Chief Executive Officer (CEO) / Principal Investigator**

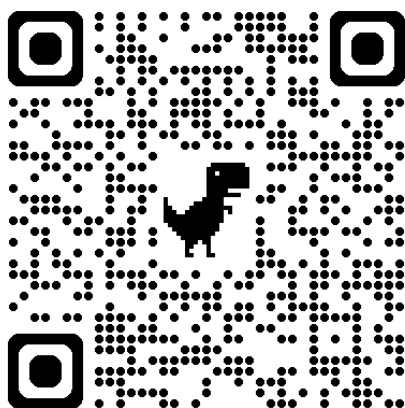

**2. Chief Operating Officer (COO) / Operations Manager**

Applicants are expected to demonstrate strong leadership, strategic vision, and proven experience in managing innovation ecosystems, incubation programs, or large-scale project operations.

Detailed eligibility criteria, roles, and responsibilities for each position are provided in the respective job descriptions.

### Application Process

Interested candidates are requested to scan the QR, carefully review the job description and submit their application through the form.

Only shortlisted candidates will be reached out for the next stage of evaluation.

At the end of the application form, candidates are required to upload their **updated resume**. Kindly ensure the document is ready before proceeding.

**Last Date to Apply:** 07 January 2026
