MALNAD COLLEGE OF ENGINEERING, HASSAN
Autonomous Institute Affiliated to Visvesvaraya
Technological University, Belagavi

ಮಲೆನಾಡು ತಾಂತ್ರಿಕ ಮಹಾವಿದ್ಯಾಲಯ ಹಾಸನ
MALNAD COLLEGE OF ENGINEERING HASSAN

DEPARTMENT OF CIVIL ENGINEERING

VISION

To establish excellence in Civil Engineering education through sustainable design and execution ethical innovation and applied research.

MISSION

- 1.To Impart education to design durable, resource-efficient structures using optimization design and lifecycle analysis to minimize environmental impact while maximizing service life.
- 2.To translate academic research into field-validated solutions through consultancy, training, structured testing programs and Institute industry partnerships.
- 3.To maintain uncompromising commitment to professional codes, public safety, and ethical practices in all design, innovation, and construction activities.

Malnad Technical Education Society (MTES®), Hassan
MALNAD COLLEGE OF ENGINEERING, HASSAN
Autonomous Institute Affiliated to Visvesvaraya
Technological University, Belagavi

ABOUT THE DEPARTMENT

- Established in 1960, the Civil Engineering Department is one of the oldest and most prestigious departments of Malnad College of Engineering, Hassan.
- Recognized as a Research Centre under VTU, Belagavi.
- Recognized as a Minor Quality Improvement Programme (QIP) Centre.
- Committed to excellence in teaching, research, consultancy, and professional practice.

ACADEMIC PROGRAMS

Undergraduate Program

- B.E. in Civil Engineering (Intake: 120)

Postgraduate Program

- M.Tech. in Computer Aided Design of Structures (CADS) (Intake: 12)

FACULTY STRENGTH

- Highly qualified and experienced faculty members.
- 6 Ph.D. holders
- 15 faculty pursuing Ph.D.
- Average teaching experience exceeding 10 years.

ADVANCED LABORATORIES

- Basic Material Testing Laboratory
- Geotechnical Engineering Laboratory
- Environmental Engineering Laboratory
- Concrete & Highway Materials Testing Laboratory
- Hydraulics & Hydraulic Machinery Laboratory
- Survey Laboratory with Total Stations
- Computer-Aided Design (CAD) Centre

RESEARCH & CONSULTANCY

- Active research in Structural, Geotechnical, Environmental, Transportation, and Water Resources Engineering.
- Consultancy and testing services for government and private organizations.
- Opportunities for student participation in research and innovation activities.

INDUSTRY COLLABORATION

- The department has established MoUs with:
- CADD Centre
- Construction Management Training Institute (CMTI), Bengaluru
- Medini Technologies
- GTTC
- Builders Association of India (BAI), Hassan

BENEFITS

- Cash prize for each semester toppers by Alumni
- Enrolment to Student chapters – ASCE, ISTE, Sustainist Club, Civil Engineering Association®, Competency Club
- Quality Education & Research Opportunities
- Modern Laboratories & Industry Exposure
- Experienced Faculty with strong academic record

INFRASTRUCTURE

- 24x7 Wi-Fi and Internet-enabled Department
- Dedicated Department Library
- Modern classrooms and computing facilities

STUDENT CHAPTERS & CLUBS

Malnad College of Engineering, Hassan
DEPT. OF CIVIL ENGINEERING

ASCE STUDENT CHAPTER

- Organizes workshops, seminars, industrial visits, and professional events.
- Promotes leadership, teamwork, technical competence, and social responsibility.
- Conducts sports, cultural, and community outreach activities.

SUSTAINEST CLUB

Engineering a Sustainable Tomorrow"

- Promotes sustainability awareness and innovation.
- Conducts technical, academic, and outreach activities.
- Enhances leadership, teamwork, and environmental responsibility.

STUDENT DEVELOPMENT

- Dr. C. Giffard Satyadas Memorial Lecture Series (Dr. CGSML)
- Alumni-Student Interaction Programs
- Technical Workshops and Conferences
- Industrial Visits and Internship Programs
- Survey Camps and Field Training
- Software Training Programs (ETABS, REVIT, AutoCAD, etc.)

ACHIEVEMENTS & PUBLICATIONS

- Active participation in national and international conferences.
- Research publications in reputed journals.
- Annual Department Newsletter and Magazine.
- Student achievements in academics, GATE, and technical competitions.

DISTINGUISHED ALUMNI

The department has produced eminent alumni serving as:

- Vice-Chancellors and Principals
- Professors and Researchers at premier institutions
- Scientists at CSIR and international universities
- Chief Engineers and Executive Engineers
- Architects, Urban Planners, and Industry Leaders
- Senior Government Officials and Administrators

CAREER OPPORTUNITIES

Graduates excel in:

- Structural Engineering
- Construction Management
- Geotechnical Engineering
- Transportation Engineering
- Environmental Engineering
- Water Resources Engineering
- Urban Planning & Infrastructure Development
- Government Services
- Higher Education & Research
- Entrepreneurship

WHY CHOOSE CIVIL ENGINEERING AT MCE?

- 65+ Years of Academic Excellence
- VTU Recognized Research Centre
- Experienced Faculty Team
- Modern Laboratories & Infrastructure
- Strong Industry Collaborations
- Active Student Chapters & Clubs
- Research & Consultancy Opportunities
- Distinguished Alumni Network
- Excellent Career Prospects

BUILDING SUSTAINABLE INFRASTRUCTURE THROUGH EXCELLENCE IN EDUCATION, RESEARCH, INNOVATION, AND PROFESSIONAL PRACTICE.
