

Malnad College of Engineering
Socio-Economic Disadvantage Cell
(An Autonomous Institution under VTU, Belagavi)
Salagame Road, Hassan – 573 202

Phone: 08172-245317, e-mail: office@mcehassan.ac.in, Website: www.mcehassan.ac.in

29/05/2026

The meeting was held to discuss the objectives and functions of the Socio-Economic Disadvantage Cell.

Date	29/05/2026
Time	4.00 P.M. and 5.00 P.M.
Agenda of the Meetings	
• Awareness of Available Scholarships To discuss various scholarship opportunities available to students and the methods for creating awareness through appropriate communication channels.	
• Socio-Economic Support and Eligibility To discuss the available socio-economic support schemes and the eligibility conditions for students requiring financial assistance.	
• Discussion with Department Mentors To discuss with mentors from different departments the identification of students requiring financial and academic support and the measures to be taken.	
• Modes of Communication: To discuss effective methods for communicating scholarship and support-related information through mentoring sessions, classroom announcements, circulars, notice boards, and digital communication platforms.	
Proceedings	
• Decentralized Activities: It was decided to conduct scholarship awareness and student-support activities in a decentralized manner at the department level to ensure effective communication and accessibility.

• Documentation by Mentors:

Mentors were instructed to document the awareness and mentoring activities conducted with students. Geo-tagged photographs should be taken during meetings and awareness programmes as evidence of the activities conducted.

Action Taken:

• Coordination with Student Affairs:

It was decided to coordinate with the Student Affairs Office to obtain information regarding various scholarship schemes and student-support initiatives available to students.

• Coordination with Government Social Welfare Office:

It was decided to contact the concerned Government Social Welfare Office to obtain information on available welfare schemes, financial assistance, eligibility criteria, and application procedures for eligible students.

• Awareness during Induction Programme:

It was decided that awareness regarding available scholarships, socio-economic support schemes, eligibility criteria, and application procedures would be provided to students during the induction programme.
