

Circular

The **Student Wellbeing Centre** is established to promote the holistic wellbeing of students by providing a supportive, inclusive, and confidential environment within the institution. The Centre focuses on students' emotional, psychological, social, academic, and overall personal wellbeing, enabling them to develop healthy coping mechanisms and achieve their academic and personal goals.

The members shall meet periodically and serve as an important institutional support system, working towards creating a healthy, compassionate, inclusive, and student-friendly campus. The following is the list of members in Student Wellbeing Centre.
