(Website: www.kaushalya.tech, Email: raghuprasadkonandur@kaushalya.tech), represented by its Authorized Signatory, hereinafter referred to as the "First Party" / "Industry Partner".

AND

Malnad College of Engineering, Hassan – 573202, Karnataka, India (Website: <https://www.mcehassan.ac.in>, Email: principal@mcehassan.ac.in), represented by the Head of the Institute, hereinafter referred to as the "Second Party" / "Academic Partner".

The First Party and the Second Party shall hereinafter be individually referred to as a "Party" and collectively as the "Parties".

1. PREAMBLE

WHEREAS the Parties recognize that mutual cooperation between them is helpful in skill upgradation and product development in the field of Information Technology, and WHEREAS the Parties wish to formalize such cooperation on the terms and conditions set out below.

2. OBJECTIVES

The objectives of this MoU are to:

- Provide students with hands-on training in current industry-demanded technologies such as Artificial Intelligence, Machine Learning, Deep Learning, Data Analytics, Generative AI, AI Agents, Agentic AI, ML Ops, and other emerging technologies.
- **Offer internship opportunities and real-time project work under industry mentors to students of the Second Party.**
- Organize specialized Faculty Development Programmes (FDPs) on emerging technologies to upskill faculty and keep them abreast of the latest trends.
- Conduct certificate courses in which students receive joint recognition from the First Party and the Second Party upon successful completion.
- Provide placement-oriented programming training and mock interviews to students of the Second Party.
- Explore any other mutually agreed academic or industry collaboration activities that further the objectives of this MoU.

3. ROLES AND RESPONSIBILITIES

3.1 First Party (Kaushalya Technical Training and Consultancy Services) shall:

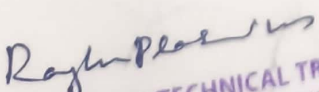

- Depute qualified trainers and industry mentors for the training programmes, internships, and certificate courses mutually agreed upon.
- Design and deliver curriculum content for the agreed technical training programmes and FDPs.
- Jointly certify students who successfully complete the certificate courses conducted under this MoU.
- Provide reasonable notice of the schedule, faculty, and logistics required for each programme.

3.2 Second Party (Malnad College of Engineering, Hassan) shall:

- Nominate students and faculty for the training programmes, internships, FDPs, and certificate courses.
- Provide the necessary infrastructure (classrooms, laboratory, and internet facilities) on campus for conducting the programmes, subject to availability.
- Coordinate scheduling with the First Party and facilitate necessary institutional approvals.
- Assist in promoting the programmes among students and collecting feedback for continuous improvement.

4. COST OF SERVICES

The cost of services for each training programme, internship, FDP, or certificate course shall be mutually decided by the Parties in writing on a case-by-case basis, depending on the scope, duration, and nature of the specific training requirement, prior to commencement of that programme.

5. TERM AND RENEWAL

This MoU shall come into force from the date of signing by both Parties and shall remain valid for a period of three (3) years, unless terminated earlier in accordance with Clause 7. This MoU may be renewed for a further term by mutual written consent of the Parties.

6. CONFIDENTIALITY

Each Party shall treat all non-public business, technical, and student-related information shared by the other Party in the course of this MoU as confidential and shall not disclose such information to any third party without the prior written consent of the disclosing Party, except as required by law.

7. TERMINATION

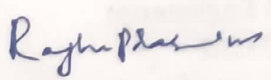

Either Party may terminate this MoU by giving thirty (30) days' prior written notice to the other Party. Termination shall not affect the completion of any programme or activity already commenced under this MoU unless otherwise mutually agreed.

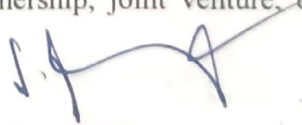

8. INTELLECTUAL PROPERTY

Training content, course material, and any intellectual property developed independently by either Party prior to this MoU shall remain the property of that Party. Any material jointly developed during the course of this MoU shall be governed by a separate written agreement between the Parties.

9. GENERAL

- This MoU does not create any legally binding financial obligation on either Party beyond what is mutually agreed in writing for specific programmes.
- This MoU may be amended only by mutual written consent of both Parties.
- Nothing in this MoU shall be construed to create a partnership, joint venture, or agency relationship between the Parties.
