(hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

Loginware Softtec Pvt. Ltd., the Second Party represented herein by its **Co-Founder and Head of Engineering, Mr. Panish D T** (hereinafter referred as '**Second Party**', the company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as '**Parties**' and individually as '**Party**')

WHEREAS:

- A) First Party is a higher educational institution engaged in offering Bachelor of Engineering programs, Master of Technology Programs and is affiliated to Visvesvaraya Technological University
- B) The Second Party is involved in the Business of Industry 4.0 Products for Manufacturing Industries, with its subsidiary, Loginware EdTech Pvt. Ltd., specializing in Skill Development, Education, and R&D Services in the areas of Computer Science, Electronics, Information Technology, and related fields.
- C) The Second Party has its Head Quarters located in 40/163, 1st Floor, Opp. Bharat Associates, BM Road, Boovanahalli, Hassan, Karnataka 573201 and Corporate Office located at #119, 2 floor 1 Cross, Chandra Layout Main Rd, Gangondanahalli, Bengaluru, Karnataka 560040
- D) First Party and Second Party believe that collaboration and co-operation between themselves will promote more effective use of their resources, and provide each other with enhanced opportunities.
- E) The Parties intend to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research and Employment Opportunities.
- F) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

- 1. Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings.

For LOGINWARE SOFTEC PVT. LTD

Director

The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

2. First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
3. The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

The Definitive Documents shall include but not limited to:
Financial Terms and Program Scope for all programs depending on duration, number of students, etc.,

1. Technical Talks
2. Internship Programs
3. FDP Programs
4. Domain-Specific Skill Development Programs

CLAUSE 2: SCOPE OF THE MOU

1. **Incubation Center:** The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge. In order to enhance the same an incubation center is established in the college premises with space and basic infrastructure provided by the First Party.
2. **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
3. **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party shall permit the Faculty and Students of the First Party to visit its group

companies and involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

4. **Internships and Placement of Students:** The Second Party will actively seek to hire students from the First Party for internships and job placements within their organization. The Second Party will collaborate with the First Party to identify suitable candidates for various roles and internships. Additionally, the Second Party will register on the AICTE Internship Policy Portal to promote available internship opportunities and streamline the recruitment process for students from the First Party.
5. **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Internet of Things, Enterprise Resource Management, Business Intelligence, Artificial Intelligence, Data Science and Machine Learning.
6. **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies to bridge the skill gap and make them industry ready.
7. **Consultation Projects:** The First Party will lend its expertise to support the Second Party's industry projects through consultation services. This support will include providing technical advice, strategic guidance, and industry insights to enhance the effectiveness and impact of the Second Party's projects.
8. **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in-house requirements.
9. **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
10. Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

CLAUSE 3: INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4: VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Loginware Softtec Pvt. Ltd.**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

Both Parties may terminate this MOU after completing a consecutive academic year by providing notice in writing. In the event of Termination, both parties must discharge their obligations.

CLAUSE 5: MUTUAL BENEFITS

- 5.1 For the First Party, the benefits include enhanced placements, strengthened industry-academia collaboration, and access to valuable training programs. Students gain from internships, industrial visits, and skill development initiatives that increase their employability and readiness for the workforce. Faculty also benefit from exposure to the latest industry trends and technologies through guest lectures and workshops, enriching the overall academic experience.
- 5.2 For the Second Party, the key benefit is access to a pool of talented graduates who are well-prepared to work on the company's products. This steady pipeline of skilled individuals supports innovation and product development efforts. Additionally, through its subsidiary Loginware EdTech Pvt. Ltd., Second Party benefits commercially from training programs, internships, and skill development courses, generating revenue while boosting its brand visibility and reputation in the academic sector.

CLAUSE 6: INDIVIDUAL COMMITMENTS

- 6.1 Any assurance, promise, or guarantee given by one Party towards any program, service, or initiative shall not create an obligation on the part of the other Party to fulfill or adhere to such assurance. Each Party shall be individually responsible

For **LOGINWARE SOFTEC PVT. LTD**

for its own commitments and assurances made to third parties or stakeholders including students. This includes, but is not limited to, financial commitments, resource allocation, program delivery, and performance guarantees. The Parties agree to communicate clearly any such individual commitments to avoid any misunderstandings or misinterpretations regarding responsibilities and obligations.

CLAUSE 7: RELATIONSHIP BETWEEN THE PARTIES

7.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.
