

MEMORANDUM OF UNDERSTANDING

Malnad College of Engineering , Hassan
(Electronics and Communication Department)

and

Mipzo ED-Tech Pvt Ltd., Hassan

This memorandum of understanding (MOU) is Signed on Friday, July 19, 2024, is a document of formalization of excellent interaction already in existence between Malnad College of Engineering, Hassan and Mipzo ED-Tech Pvt. Ltd., Hassan.

Objective :

The objective of this MoU is to establish a collaborative partnership to enhance educational and research opportunities for students in the field of Electronics and Communication.

Through this MOU, the MCE and Mipzo undertake the following:

1. Research and Development:

- Joint research and development (R&D) projects involving students from the ECE Department.
- Mipzo will provide guidance, support, and equipment necessary for the successful execution of R&D projects.

2. Industry-Ready Courses:

- Development and delivery of industry-ready courses focusing on embedded systems, IoT, and programming.
- Courses will be designed to meet industry standards and enhance the employability of students.
